Congressional Statistics

for December 2009

Alabama

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. The amount of benefits received is based on the worker’s level of earnings in employment or self-employment covered by the Social Security program.

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. The amount of benefits received is based on the worker’s level of earnings in employment or self-employment covered by the Social Security program.

Congressional Statistics

for December 2009

Georgia

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. The amount of benefits received is based on the worker’s level of earnings in employment or self-employment covered by the Social Security program.

Congressional Statistics

for December 2009

Michigan

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. The amount of benefits received is based on the worker’s level of earnings in employment or self-employment covered by the Social Security program.
