

Securing today
and tomorrow

Economist Career Opportunity at the Social Security Administration Woodlawn, MD • Washington DC

GS-9-14 Economist

Requirements & Qualifications

To qualify, you must be a U.S. citizen and have excellent customer service, communication, problem solving, and analytical skills. Additional qualifications are as follows:

Applicants must qualify for the series and grade of the posted position. Your resume and transcripts are the key means we have for evaluating your experience and education as they relate to this position. Your resume must provide sufficient experience required to perform the position for which you are applying. Please submit a thorough resume and all transcripts that directly relate to this position.

Educational Degree

- A. A bachelor's or higher degree in economics that included at least 21 semester hours in economics and 3 semester hours in statistics, accounting, or calculus; **OR**
- B. A combination of education and experience: courses equivalent to a major in economics as shown in A above and appropriate experience or additional education. Examples of qualifying experience include: 1) individual economic research assignments requiring planning, information assembly, analysis and evaluation, conclusions and report preparation, 2) supervisory or project coordination assignments involving a staff of professional economists, and requiring the evaluation and interpretation of economic information, or 3) teaching assignments in a college or university that included both class instruction in economics subjects and one of the following (a) personal research that produced evidence of results, (b) direction of graduate theses in economics, or (c) service as a consultant or advisor on technical economics problems.

Based on your qualifications such as experience, education, or a combination of both, you may be considered for positions at the GS 9-14 grade level.
