SUPPLEMENTARY INFORMATION:

Background

In accordance with the Privacy Act (5 U.S.C. 552a) we are issuing public notice of our intent to establish a new system of records entitled, Security and Suitability Files (60-0377).

We are establishing the Security and Suitability Files to govern the

information we generate in conducting personnel security and suitability background investigations. With limited exceptions, persons appointed to, and under consideration for, Federal service or contract employment are required to submit to a suitability background investigation. The Deputy Commissioner for Human Resources, Office of Personnel, Center for Suitability and Personnel Security (CSPS) oversees and is responsible for adjudicating these investigations. Information collected as part of the agency's suitability and background investigations process that is sent to the Office of Personnel Management (OPM) is covered by OPM/Central-9, Personnel Investigations Records. The Security and Suitability Files we are creating covers any additional security and suitability related information generated by SSA that is not sent to OPM. We will use the information we collect to conduct background investigations to establish that individuals employed by SSA, working for SSA under contract, or otherwise granted access to agency facilities and records are suitable for such employment or access.

Due to the investigatory nature of information that will be maintained in this system of records, this rule would add the Security and Suitability Files to the list of SSA systems that are exempt from specific provisions of the Privacy Act pursuant to 5 U.S.C. 552a(k)(5).

Rulemaking Analyses and Notices

All comments received on or before the close of business on the comment closing date indicated above will be considered and will be available for examination in the docket at the above address. Comments received after the comment closing date will be filed in the docket and will be considered to the extent practicable. A final rule may be published at any time after close of the comment period.

Clarity of This Rule

Executive Order 12866, as supplemented by Executive Order 13563, requires each agency to write all rules in plain language. In addition to your substantive comments on this interim final rule, we invite your comments on how to make the rule easier to understand.

For example:

- Would more, but shorter, sections be better?
- Are the requirements in the rule clearly stated?
- Have we organized the material to suit your needs?
- Could we improve clarity by adding tables, lists, or diagrams?

- What else could we do to make the rule easier to understand?

- Does the rule contain technical language or jargon that is not clear?

- Would a different format make the rule easier to understand, e.g. grouping and order of sections, use of headings, paragraphing?

Regulatory Procedures

SSA will publish a final rule responding to any comments received and, if appropriate, will amend provisions of the rule.

Executive Order 12866, as Supplemented by Executive Order 13563

We consulted with the Office of Management and Budget (OMB) and determined that this proposed rule does not meet the criteria for a significant regulatory action under Executive Order 12866, as supplemented by Executive Order 13563.

We also determined that this proposed rule meets the plain language requirement of Executive Order 12866.

Executive Order 13132 (Federalism)

This proposed rule was analyzed in accordance with the principles and criteria established by Executive Order 13132, and SSA determined that the proposed rule will not have sufficient Federalism implications to warrant the preparation of a Federalism assessment. SSA also determined that this proposed rule will not preempt any State law or State regulation or affect the States' abilities to discharge traditional State governmental functions.

Executive Order 12372 (Intergovernmental Review)

The regulations effectuating Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this proposed rule.

Regulatory Flexibility Act

We certify that this proposed rule will not have a significant economic impact on a substantial number of small entities because it affects individuals only. Therefore, the Regulatory Flexibility Act, as amended, does not require us to prepare a regulatory flexibility analysis.

Paperwork Reduction Act

These rules do not create any new or affect any existing collections and, therefore, do not require Office of Management and Budget approval under the Paperwork Reduction Act.

RIN 0960–A109

Setting the Manner for the Appearance of Parties and Witnesses at a Hearing

AGENCY: Social Security Administration.

ACTION: Notice of proposed rule making.

SUMMARY: We propose to revise our rules to explain that the agency retains the right to determine how parties and witnesses will appear at a hearing before an administrative law judge (ALJ) at the hearing level of our administrative review process, and we will set the time and place for the hearing accordingly. We also propose to revise our rules to explain the State agency or the Associate Commissioner for Disability Determinations, or his or her delegate, will determine how parties and witnesses will appear, and will set the time and place for a hearing, before a disability hearing officer (DHO) at the reconsideration level in continuing disability review (CDR) cases. At both levels, we propose to schedule the parties to a hearing to appear by video

teleconference (VTC), in person, or, in limited circumstances, by telephone. We propose that parties to a hearing will not have the option to opt out of appearing by the manner of hearing we choose. We also propose rules that explain how we will determine the manner of a party's or a witness's appearance. We expect these proposed changes would improve our service to the public by increasing the efficiency of our hearings processes and reducing the amount of time it takes us to schedule and hold hearings.

DATES: To ensure that your comments are considered, we must receive them no later than January 14, 2019.

ADDRESSES: You may submit comments by any one of three methods—internet, fax, or mail. Do not submit the same comments multiple times or by more than one method. SUPPLEMENTARY INFORMATION:**Background**

When we determine whether you are disabled under the old-age, survivors, and disability insurance program under title II of the Social Security Act (Act) or the Supplemental Security Income (SSI) program under title XVI of the Act, we follow an administrative review process that usually consists of the following steps:¹ An initial determination, a reconsideration,² a hearing before an ALJ, and Appeals Council review. If you are dissatisfied with the initial determination of your disability claim(s), you may request reconsideration. In most cases, the reconsideration step of the administrative review process, which is technically the first level of appeal in the administrative review process for Social Security disability claims in most States,³ consists of a case review by Disability Determination Services (DDS) personnel who were not involved in the initial determination. If you are dissatisfied with your reconsidered determination, you may request a hearing, which is held by an ALJ.⁴ If you are dissatisfied with an ALJ's decision, you may ask the Appeals Council to review that decision. After you have completed these steps of the administrative review process, you may request judicial review of our final decision by filing a civil action in a Federal district court.

Once you are receiving benefits under title II or XVI of the Act, we are required to conduct CDRs periodically to determine whether your disability continues.⁵ When we make a medical cessation determination that you are no longer disabled because your medical impairment(s) has ceased, did not exist,

² In certain States, which we refer to as "prototype States," we modified the disability determination process by eliminating the reconsideration step of the administrative review process. If an individual in a prototype State is dissatisfied with the initial determination on his or her disability claim(s), he or she may request a hearing before an ALJ. 20 CFR 404.906(b)(4), 416.1406(b)(4). Beginning January of 2019, this prototype process is being phased out, and the reconsideration step reinstated in ten states. Reconsideration reinstatement will be complete by mid Fiscal Year 2020.

³ The exception would be the prototype States.
